PROFESSIONAL SUMMARY

Operations leader with **20+ years** running multi-unit districts and executive office functions. Led a district of 7 General Managers and 128 employees producing **close to $7M in annual sales**, and has since paired that P&L and people-leadership record with executive-level administrative command — facilities compliance, vendor negotiation, procurement, and confidential records handling. Known for turning scattered operations into documented, audit-ready systems that hold up without supervision.

EXPERIENCE

Checkers & Rally's Drive-In Restaurants
2026 – PRESENT

District Manager · Belleville, IL

- Direct multi-unit operations across the district — sales performance, staffing levels, inventory control, and brand standards.
- Coach General Managers on P&L accountability, labor targets, and guest-experience metrics.
- Lead food-safety, sanitation, and operational audits so every location stays inspection-ready.

Behavioral Health Response
2025 – 2026

Executive Assistant & Office Manager · St. Louis, MO

- Ran daily operations for a multi-suite facility: safety walkthroughs, quarterly and monthly building inspections, and compliance documentation.
- Owned procurement through approved vendors (Amazon, Staples, Office Essential) and managed postage and mailing systems via Quadient/Bowman's Solutions.
- Acted as primary liaison to building management and service vendors — copiers, shredding, janitorial, repairs — keeping operations uninterrupted.
- Routed **confidential HR and finance documents** including invoices, employment records, unemployment claims, and tax correspondence.

Rally's — Checkers & Rally's Drive-In Restaurants
2011 – 2018

District Manager · Belleville, IL

- **Generated close to $7 million in annual sales** across the district.
- **Hired and led 7 General Managers** overseeing approximately **128 employees**.
- Created selling and merchandising programs that moved bottom-line performance, and optimized in-store presentation and inventory availability.
- Owned audit readiness district-wide, training and mentoring staff through compliance policy rollouts.

HGS
2019 – 2024

Customer Service Representative

- Resolved inbound customer needs through a consultative call flow, researching products and pricing across multiple systems.
- Upheld banking and financial compliance standards on every interaction while consistently meeting KPI targets.

Wendy's International Inc.
2001 – 2010

General Manager

- Trained and developed **400+ employees**, authored and rolled out new operating policies, and drove merchandising, replenishment, and inventory decisions.
